Note: (Each Cell) 53 feet bench; 342 square feet. These are the preferred cells for juveniles.												

General Notes

Only cells 4 & 5 were remodeled and evaluated under the 1994 regulations. Cells 1, 2 and 3 were constructed prior to 1978 and do not technically come under the BSCC Penal Code mandate for inspection. They are included on the Living Area Space Evaluation to more accurately reflect the facility.

*T = Toilets; U = Urinals; W = Wash Basins; F = Fountains; S = Showers in unit; If "Total BRC" appears in brackets (), it is not part of the facility's rated capacity. "+" indicates that capacity includes prorated air space from adjacent areas.
